In consideration of my being able to participate in the Personal Training Program, I understand that I must purchase a single or package of training session(s) and must read, agree to and sign this agreement where I assume the risks for participation, waiver of liability, and personal training policies and procedures.

I understand that the program is voluntary and that a Personal Trainer will develop and guide me through my exercise program. I will be required to undergo a graduated exercise test (fitness evaluation) to assess my present level of fitness. I represent that I will complete the Lifestyle Questionnaire and any other health history from accurately and completely including disclosure of any prescribed medications I am taking and any exercise or diet limitations I am aware of or have been informed by my doctor. During the program if my medications, condition, or medical limitations should change, I will notify the Trainer. I understand that it is recommended that I have a yearly physical or more frequent physical examination and consultation with my physician as to physical activity and diet so I am aware of what is appropriate for me. I acknowledge that I have either had a physical exam and have been given my physician's permission to participate or I have decided to participate without approval of my physician.

I understand that a Trainer will review my Lifestyle Questionnaire and any other health history form but that a Trainer is not a physician and cannot replace the advice and expertise of a physician.

I understand that part of the risk involved in undertaking any activity or program is relative to my own state of fitness or health (physical, mental, or emotional) and to the awareness, care and skill which I conduct myself in that activity or program.

Knowing the material risks and appreciating, knowing and reasonably anticipating that other injuries are a possibility, I hereby expressly assume all of the delineated risks of injury, all other possible risk of injury, and even risk of possible death, which could occur by reason of my participation.
